## ORGANISATIONAL SKILLS

### ● Organisational / managerial skills

- Capacity of project management and sense of organization gained in my experience as a Director of the Publication and Image Office of the Board of the Associação de Estudantes da Escola Superior de Enfermagem Calouste Gulbenkian.
- Organization of the III Conference of Nursing of the Associação de Estudantes da Escola Superior de Enfermagem Calouste Gulbenkian - Advanced Nursing: Responses to Transition Processes.
- As an element of the Animation Team of the AKI Store of Guimarães I had the opportunity to Develop some Social Activities such as Harvesting of Social Solidarity and a Harvest of Blood for Blood and Bone Marrow Donation.
- During the Integrated Master in Engineering and Management of Information Systems, I have played Project Manager several times in academic projects, further improving my management and organizational skills.

## COMMUNICATION AND INTERPERSONAL SKILLS

### **Communication skills**

- Good communication and expression skills, acquired through my professional experience, either through the functions of the call-center operator in Linha Saúde 24, or as a nurse in the Unidade de Cuidados Continuados de Longa Duração e Manutenção, Solar D'Azinheira, or currently as an Assistant Operator in the AKI Guimarães Store.

- All these places and experiences allowed me to develop my ability to communicate and express myself as I met several people from all age groups from different cultures, causing me to adapt to different situations in order to respond to the demands Which were imposed upon me.
